

To Whom It May Concern:

This will certify that the below specific OCAL PVC coated products manufactured by ABB, formerly Thomas & Betts, meet the requirements of the Buy America Act of 49 USC 5232(j)(1) and applicable regulations in 49 CFR part 661. Conduit elbows (ELL, LRELL) and nipples (NPL) follow the same suffix nomenclature per trade size.

The steel shell is 100% melted and manufactured in the USA.
